9 MR. GENITEMPO: Here he is.

10 COMMISSIONER SCARPELLI: Father Tom, you're
11 on.

12 FATHER NICASTRO: Let us pray. Almighty and
13 Eternal God, You revealed Your glory to the nations.
14 God of power and might, wisdom and justice, through You
15 authority is rightly administered, and laws are
16 enacted, judgment is decreed.

17 Assist Your spirit of counsel and fortitude
18 that these men who today take the oath of office as
19 commissioners here in the town of Nutley, and Mauro
20 Tucci, who will govern as mayor of this township,
21 beginning today, for the first two years, and Dr.
22 Joseph Scarpelli for the final two years. Watch over
23 them and their families. Protect them, bless them with
24 wisdom, honesty, integrity, right judgment, good health
25 and fairness to all. May they always execute laws with

Reorganization Session

5

1 justice and mercy. Keep to restrain crime, vice, and
2 immorality as elected officials. Guard our political
3 welfare. May they be enabled by Your guidance and
4 powerful protection, to discharge their duties with
5 honesty and ability.

6 We pray for our township after a period of
7 campaigning, with the hope that all elected will lead
8 in every level, and work for the common good of all
9 people who dwell here. Heavenly Father, God of Wisdom,
10 as we gather on this day of inauguration and new
11 beginnings, imbue these elected officials with an
12 abundance of wisdom, patience, and right judgment, and
13 the necessary strength of character to do the right
14 thing and make wise and unselfish, sound choices. May
15 they avoid making any erroneous decisions that will
16 adversely affect the welfare of all. As they begin to
17 meet and organize and plan for the years ahead, which
18 will be filled with projects that can bring prosperity
19 and financial security to this township, aid them to be
20 patient, and refrain from discord and malice, seeking
21 harmony in effective compromise.

22 This afternoon, we pray for wisdom, not
23 rhetoric, generosity, not indifference, and justice,
24 not patronage. May they not erect barriers by harsh
25 words, but build bridges to bring many together,

Reorganization Session

6

1 through kindness and charity. We pray for leaders
2 gifted in diplomacy, with character and integrity.
3 Leaders who know that our security comes from
4 relationships of trust and not divisiveness.

5 Father, we reflect and recall the words of
6 First Timothy in the Holy Book. It speaks about
7 praying for those in authority. First of all, I ask
8 supplication, prayer, petition, and thanksgiving for
9 everyone and for all in authority, that they lead a
10 quiet and tranquil life in devotion and dignity. For
11 our part, give each of us patience, that we in turn
12 give our officials a chance to govern with compassion
13 and grace, justice, love, support, to celebrate sage
14 decision making.

15 Likewise, we commend to your unbounded mercy
16 all constituents of the Township of Nutley. May they
17 reserve in union that peace which the world cannot
18 give, and after enjoying the blessings of this life, be
19 admitted to those which are eternal. We make our
20 prayer through Christ our Lord. In the name of the
21 Father and of the Son and of the Holy Spirit, Amen.
22 Congratulations.

23 COMMISSIONER SCARPELLI: Amen.

24 THE CLERK: Amen.

25 COMMISSIONER SCARPELLI: Thank you, Father

7 All right. Now we're at the point where we have
8 statements by the governing body. How do we start
9 this? Do we start from five to one, Mayor, or do we go
10 one, five?

11 COMMISSIONER SCARPELLI: You're the mayor.

12 MAYOR TUCCI: All right. So in the interests
13 of having someone steal my material, I will proudly go
14 first. I'm glad to begin.

15 COMMISSIONER EVANS: I was going to say that.

16 MAYOR TUCCI: Okay. Thanks, Tom. I say
17 thank you again to all of the people in this township
18 of Nutley. For the past 20 years, we've had a
19 relationship that continually matured as we've worked
20 together to improve the town that we love. I come
21 before you today, honored and humbled, to serve as your
22 mayor. This election was like none we have ever
23 experienced. A total vote-by-mail event, producing a
24 tie for what I believe is a history making result.
25 Mayor Scarpelli and I being of the same mind, agreed to

Reorganization Session

43

1 share the mayoralty in the best interests of the
2 township. This is no time for petty politics or
3 divisiveness, but rather a time to reassure our
4 residents that their government stands ready to work
5 together to protect and serve them the best way humanly
6 possible. This is what sets us apart from just about
7 any other place I know. Thank you, Mayor Scarpelli.

8 COMMISSIONER SCARPELLI: You're welcome,
9 Mayor.

10 MAYOR TUCCI: Former mayor, Commissioner
11 Petracco. Your dedication and love for this township
12 is second to none, and as one of the top three
13 candidates, any one could have challenged the results
14 and caused confusion and uncertainty at a time when we
15 needed it the least. I thank you for your
16 consideration, and for your honor, and for your
17 friendship. Thank you, former mayor and Commissioner
18 Petracco.

19 COMMISSIONER PETRACCO: Thank you so much,
20 Mauro.

21 MAYOR TUCCI: You're welcome. The financial
22 challenges before us require complete attention. Your
23 expertise is required now more than ever, and I believe
24 the people of this township recognized that, and saw to
25 it you were re-elected. I extend my congratulations to

Reorganization Session

44

1 you.

2 COMMISSIONER EVANS: Thank you, Mauro. Thank
3 you.

4 MAYOR TUCCI: To our newest commissioner,
5 Commissioner Kelly. I wish you nothing but success in
6 your role as Director of Public Affairs. Your family's
7 dedication to this township has been recognized, and I
8 know you will serve in the tradition of your
9 grandfather, former Assemblyman and Mayor John V.
10 Kelly, and honor his legacy. Congratulations,
11 Commissioner Kelly.

12 COMMISSIONER KELLY: Thank you, Mayor.

13 MAYOR TUCCI: To outgoing Commissioner
14 Rogers, who is not on this Zoom, but I'm sure he's
15 listening somewhere. The energy and enthusiasm you
16 brought to the Department of Public Affairs will never
17 be rivaled. Your creation of the first ever Department
18 of Veteran Affairs continues to assist those who
19 served, and for that, we are thankful. Continued
20 success to you.

21 At this point, I need to thank my family for
22 their support over the last 20 years. My wife Linda,
23 who allowed me to serve by taking care of our family,
24 while I was on town business. Our daughters, Gina and
25 Josephine, our son, son-in-laws, sisters, brothers,

Reorganization Session

45

1 niecees and nephews and everyone else whose advice and
2 support proved invaluable, I love and thank you all.

3 To my Parks Department family, the finest
4 group of individuals ever assembled in a governmental
5 agency, without you, I am nothing. I'm honored to work
6 beside you, and thank you for the care and love for our
7 Parks and Recreation programs. You are the reason we
8 are successful on so many levels. Thank you so much.

9 As I have previously mentioned, this election
10 was like none other. We had to balance getting our
11 message out, while being sensitive to those suffering
12 from the Novel Coronavirus, and the families that lost
13 loved ones without being disrespectful. Unfortunately,
14 I was one of five family members who contracted the
15 disease, and was out of commission for several months.
16 The mastermind and chief strategist behind our campaign
17 who kept it all together, and kept things moving, was
18 none other than my business partner and confidante,
19 Gerard. Chrissy (phonetic), Frank, Anthony, Jason,
20 Linda, Mary, Teresa, Lois, all my guys in the back,
21 Frankie DiP (phonetic), you all share in this victory.
22 I thank you for your dedication and loyalty to this
23 township. Assemblyman Caputo who was with us earlier,
24 Michael Cortese (phonetic) who's home ill, Jim
25 Callahan, Michael Locascio (phonetic) and one of my

Reorganization Session

46

1 favorite mentors, Jim Piro, you've been with me from
2 the beginning, and your counsel and assistance in
3 everything governmental is appreciated.

4 In closing, while 2020 will be challenging to
5 say the least, I truly believe our best days are ahead
6 of us. Our work continues, and we will get through
7 this together. Thank you, and God bless Nutley,
8 New Jersey.

9 Commissioner Scarpelli?

10 COMMISSIONER SCARPELLI: Thank you, Mayor.
11 Mayor Tucci, fellow commissioners, honored guests,
12 reverend clergy.

13 This was a very unique election. We are in
14 the midst of a global pandemic. There was no
15 traditional way to campaign. A mail-in ballot only
16 election, the first in New Jersey history, and after
17 more than 8,000 votes, there was a tie for the first
18 spot. Can someone check to see if the Earth is still
19 on its axis?

20 I would like to thank my committee for all
21 their hard work throughout the campaign. My immediate
22 family, Sal, Harry, Gianna (phonetic). And of course
23 my wife, Sue. I could not do what I do without her
24 holding down the fort. My mom, my sister Trish, my
25 Uncle Vito. My nephew Anthony and my extended family,

Reorganization Session

47

1 my in-laws, Bob, Vicky, Ann, and Al. Kitty and all my
2 friends for their love, hard work, and support.

3 Thank you to the men and women of the DPW
4 Department who make me look good every day.

5 Congratulations to Mayor Tucci and my fellow
6 commissioners on their re-election. John Kelly,
7 congratulations and welcome to the board. Your
8 grandfather who is looking down is certainly proud of
9 you, and your continuation of a family tradition of
10 public service.

11 Thank you also to Maria Hamlin, Dan
12 Carnicella, Sam Fleitell, Chris Cullari, Larry
13 Marchese, Frank Contella, Carmen Alessio for their
14 time and efforts.

15 Special thanks to my guardian angels, who
16 have guided me throughout the campaign. My dad, my
17 grandfather and grandmother, my brother Mike, my Uncle
18 Ralph, and Kevin Harkins. I found out in this
19 election, there's also a downside to having guardian
20 angels. They don't vote anymore.

21 But seriously, I miss you all. You all Zoom
22 in daily, but I know you are really Zooming in today.
23 It is obvious from the election results that people
24 like the direction the town is going, with all four
25

Reorganization Session

48

1 commissioners handily being re-elected.

2 Let me compliment our new mayor, Mauro Tucci.
3 Within five minutes of the County Clerk posting the
4 results on Friday night, we had talked and agreed to
5 split the four-year mayoral term, taking two years
6 apiece. In these unprecedented times, we found a
7 unique way to keep a Nutley tradition, of choosing the
8 top vote-getter, in this case, the top vote-getters, as
9 mayors. Thank you for your graciousness and class.

10 I also want to recognize Commissioner Rogers.
11 Thank you for your service to our community. He's a
12 real leader. He had a vision to start a Veteran's
13 Affairs Bureau. It has become a model for all
14 communities. I know you're not finished with community
15 service, and it's been my pleasure of serving with you
16 in the last eight years, and I look forward to working
17 with you in the future. Godspeed, my friend.

18 Over the last four years, the former Roche
19 property was transformed from a shuttered campus to a
20 vibrant innovation hub, with the Hackensack Meridian
21 School of Meridian at Seton Hall acting as a
22 centerpiece of the campus, we have worked together to
23 have Modern Meadow, Hackensack-Meridian Center for
24 Discovery and Innovation, Wymax and Ralph Lauren
25 filling four of the five once vacant buildings. We now

Reorganization Session

49

1 have a bustling campus that is fueling our local
2 economy, producing quality jobs to our residents, an
3 increase to our property values, and there is more to
4 come. That more to come will also present some
5 challenges. We must continue with smart redevelopment
6 that replaces our lost revenues and takes into
7 consideration the inability of our schools to
8 accommodate additional children. Smart development,
9 that complements rather than competes with our
10 downtown, and smart development that plans for and
11 mitigates any potential impacts of that redevelopment.

12 We have other challenges ahead. Improving
13 our schools, and finding viable long-term solutions to
14 the overcrowding issue, revitalizing our downtown, and
15 the redevelopment of the Ciccolini property. These are
16 big ideas -- these are big issues. They need big
17 ideas.

18 I'm very excited about the future of our
19 town. Thank you for the honor and privilege of serving
20 the people of Nutley as your 18th mayor. I look
21 forward to working with all of you to accomplish all
22 those goals. Thank you.

23 MAYOR TUCCI: Well said, Joe. Commissioner
24 Petracco?

25 COMMISSIONER PETRACCO: Yes, thank you Mayor

Reorganization Session

50

1 Tucci. I usually don't write anything down as we all
2 know, but I put some bullet points down, because I
3 definitely want to thank my wife first. I want to
4 thank my wife, my kids, my father, my brothers. I want
5 to thank everybody in Public Safety. I want to thank
6 everybody in every department, because as we all know
7 how tight this race was. I especially want to thank
8 the people in Public Safety. The police officers, the
9 ambulance squad, the firemen, with the virus going on,
10 for all the hard work that they've been going through
11 and putting themselves in harm's way.

12 I want to thank my committee. Everybody on
13 my committee, I don't want to name anybody, because I
14 always forget someone, but everybody worked very hard
15 in this unique, extraordinary election. Thirty-seven
16 votes, boys, it's not far off, in this untraditional
17 election. Thirty-seven votes. I remember when I
18 became the mayor, and Joe, I'll never forget
19 (indiscernible) is that the people in the stands. You
20 couldn't get me 13 more votes? Right? But I have to
21 tell you, there will not be any challenges from Al
22 Petracco, because I am confident in the two men that
23 will be serving as our mayor the next four years. You
24 guys have -- there -- there has been bumps in the road,
25 I'll never say there wasn't, but these are good people,

Reorganization Session

51

1 these are great people, and you have my confidence, and
2 if you didn't, I would have challenged it, obviously.
3 But these are two great leaders, and I wish both of you
4 the best of luck.

5 Mauro, you've been my partner up here, a
6 mentor to me. We started the Roche bad news in 2013.
7 We made a lot of headway. It is very, very well
8 deserved, and I am very happy for you, your department,
9 your family especially, and your beautiful, lovely
10 wife, that they finally get to see their grandfather,
11 their boss, their husband, sit in that chair that you
12 waited so long for. So congratulations, it's well
13 deserved.

14 MAYOR TUCCI: Thank you.

15 COMMISSIONER PETRACCO: I also -- you're very
16 welcome. I also want to thank Commissioner Rogers. I
17 had the privilege of handing some notes back and forth
18 to him during commission meetings. To know Steve is to
19 love Steve, and I have to tell you, he has a very
20 comical side to him as well. But Steve was the one
21 that really brought God closer to me in my heart.
22 Going through that with my mother, and I know my mom is
23 watching over all of us, and there's a reason why
24 everything happens. And I want to thank all of you
25 again. Father Tom, you were there. I want to thank

Reorganization Session

52

1 you all. That was very -- a very pressing time in my
2 life. I said this when I got sworn in this morning,
3 that if I had one wish, it wouldn't be to be the mayor
4 today, it would be to have my mom back here.

5 Also, I have to say something to Commissioner
6 Kelly. I have always been the kid on the block here
7 until now. So I want you to know that you're working
8 with a great group of people. Your genes speak for
9 yourself, I was your grandfather's newspaper boy. He
10 was very outspoken, your grandfather, and he did a
11 great -- he did a great job with our town. I want to
12 welcome you aboard. Any help that I can give you, or
13 we all can give you, I can tell you, the one goal we
14 have here on our board of commissioners, is no matter
15 what, to push the town forward.

16 In closing, gentlemen, I'd just like to say,
17 I didn't get the mayor's seat, which will give me a
18 little bit more time, and I really, really believe we
19 need to fix these schools in this town. So I'm going
20 to be committed to the Nutley children for the next
21 four years of moving a referendum forward, working hand
22 in hand with my colleagues on the board and hopefully
23 the Board of Education can make sure that we pass
24 something which is affordable to the taxpayers, and
25 beneficial to our children. God bless you all.

Reorganization Session

53

1 Congratulations again to everyone. Thank you so much.

2 MAYOR TUCCI: Thank you, Commissioner
3 Petracco. Commissioner Evans?

4 COMMISSIONER EVANS: Thank you, Mayor. Let
5 me first start by saying thank you to all of the voters
6 for returning me to office. This was a very
7 challenging election. There was a lot of fine
8 candidates in the race. I congratulate all the
9 candidates for their desire to want to contribute to
10 the well-being of our township. So thank you everyone
11 for your continued support in returning me to office.
12 Like Al, I was only 1200 votes behind (indiscernible)
13 to challenge, so I just want to let you know guys, I'm
14 just not going to challenge first, but I thought about
15 it for a moment.

16 I want to congratulate my fellow
17 commissioners in a couple of ways. One, for sitting on
18 the board for as long as I have, and working through
19 the many situations that we have had to deal with as a
20 board, I congratulate you and I thank you for your
21 single focus, and the unity around doing first, what's
22 best for the township, both in the short-term and in
23 the long-term. I congratulate you for that, and I look
24 forward to continuing that relationship that is built
25 on honor (indiscernible) as we face the challenges in

Reorganization Session

54

1 front of us.

2 I want to extend a special welcome to
3 Commissioner Kelly. It is as defined, we have many
4 challenges that we will face, and the commissioners
5 have been speaking of, the ON-3, the Ciccolini
6 property, the schools, as well as, you know, looking at
7 our aid and converting it to permanent aid as we start
8 to step through the next period of time. There are
9 many things that we have to address, including now,
10 because of the COVID environment, the social
11 challenges, and certain of the economic challenges that
12 our community will face. So I welcome you to the
13 board, and I look forward to working with you.

14 I want to extend a thank you to Commissioner
15 Rogers as well. Steve, wherever you are, I know you're
16 not finished, and I know that you will surface with
17 your next great adventure, and I wish you much success
18 in the next. Number two, I have some other people who
19 work on (indiscernible). Like Al, I have quite a few
20 people that I wish to thank, which I acknowledge
21 broadly, but for a few, like Barbara Hirsch, Mike
22 Evangelista, Don Povia (phonetic), Jim Kuchta, to -- and
23 my brother Ted, I want to extend a very special thank
24 you. This was very difficult, very challenging, and
25 your guidance and your resourcefulness

1 is so greatly appreciated by me.

2 I want to thank my children and my family for
3 their unwavering support, especially my grandson, Jack,
4 who was always (indiscernible) in the picture with
5 Baba, and since (indiscernible) for me. I made a
6 commitment to work hard every day for the residents of
7 Nutley. That commitment began back in the year 2003,
8 and I have never wavered in my desire to bring the very
9 best that I have to the table, to offer my insights, my
10 advice, my guidance, in a shared way with the Board of
11 Commissioners, and collectively working with them to
12 drive to the right decision. I'm unwavering in that
13 commitment. I've promised to all of you that I will
14 continue to do that, and that to be clear, that as a
15 commissioner, I, along with this board, we represent
16 all of the residents of our town in a very inclusive
17 way.

18 Each day, I will be guided by values that I
19 have lived with my entire professional career.
20 Integrity, teamwork, mutual respect, and personal
21 accountability. Simply stated, tell the truth, work
22 together, respect one another, and be accountable for
23 the things that we -- I say I will be able to do and
24 deliver on that.

25 As I mentioned earlier, we face a very, very

Reorganization Session

56

1 difficult time. The challenges are economic, in terms
2 of the society around us. The challenges are
3 financial, given the state of the environment with --
4 starting at any level, the county level, and here at
5 the (indiscernible) level. We have to recognize the
6 hardships that our residents face, and continue to do
7 our best to manage to provide the services for the
8 health, welfare, and safety of the community with the
9 most frugal dollar that we can identify, and I will
10 continue to drive that.

11 I continue to hold the responsibility for
12 sending out the tax bills, all right, that I
13 collectively work with my Board of Commissioners to
14 make sure that what we achieve is one that we can
15 collectively be proud of. Together, I believe we will
16 work through the challenges that we face, and I believe
17 we'll be stronger when we face the other side of this
18 stormy period.

19 And I want to extend a special thank you to
20 my Revenue & Finance team and Code Department. Working
21 with these people every day, getting to know them and
22 understanding their passion and dedication for the
23 township. And it's extraordinary to work around them,
24 and I'm grateful that the township has the benefit of
25 their ability. I look forward to, Alan, your continued

Reorganization Session

57

1 advice and counsel to the Board, to Eleni as the
2 Municipal Clerk, your counsel to the Board as well.

3 And in closing, just a special thank you to
4 Eleni, Jason, Sal, Alan and the -- all the work that
5 was done to organize this meeting for all of us. I
6 thank you.

7 MAYOR TUCCI: Thank you, Commissioner.

8 Commissioner Kelly?

9 COMMISSIONER KELLY: Thank you, Mayor. My
10 old college rugby coach used to say, gents, you have to
11 play like it's 15 versus 16. You, the other team, and
12 the referee. That bit of advice is great guidance for
13 all of us, not only through sports, but through life.
14 You've got to take on the unexpected challenges, and
15 always live like you're down for the count, but never
16 quit, and always persevere and overcome all of life's
17 obstacles. One thing about this past election. I
18 couldn't help but think about my old rugby coach's
19 words. We were forced to run through a global health
20 crisis, with the polls closed, in an all vote by mail
21 election, and it ended in a photo finish.

22 But the analogy doesn't end there. Part of
23 what makes rugby great is that the teams come together
24 at the end of the game and celebrate the match, and
25 that's part of what makes Nutley great as well. This

Reorganization Session

58

1 community has come together, and I've been overwhelmed
2 by the outpouring of support from, not only the current
3 commissioners, but everyone in the community, even the
4 people who didn't necessarily make it across the finish
5 line in the top five slots.

6 But as we close the book on this past
7 election, I'm excited to start this new chapter as your
8 newest commissioner. I know that I will face
9 challenges, and I know I will be supported in those
10 challenges by my teammates, Commissioner Evans,
11 Commissioner Petracco, Commissioner Scarpelli, Mayor
12 Tucci, and all the citizens of Nutley, because we're
13 all one team, Team Nutley. And we're going to overcome
14 those challenges, and we're going to get through
15 anything together. And to that end, if you think of,
16 there's a great idea that could help Nutley, I want to
17 hear about it. If you think we're doing something
18 wrong, I want to hear about it, and if you think
19 there's something we can do better, I also want to hear
20 about it.

21 This moment would not be possible, though,
22 without all of the support from so many throughout the
23 course of my life, and I'm not going to be able to
24 thank everyone here, but I do want to thank some people
25 in particular, starting with my parents, John and Cindy

1 Kelly. They have given me everything, and I can't
2 thank them enough. My grandparents -- and I note that
3 I'm stepping into a position that my grandfather once
4 held, and that moment is not lost on me. While I
5 intend to blaze my own path, I can't help but think of
6 a personal note that was given to me by a donor four
7 years ago when I ran for this office. It was -- it
8 meant a lot to me, and it was a very simple note. All
9 it said was, be like your grandfather, a great man.
10 And I promise, I will live up to that request.

11 I want to thank my sisters, Lauren, Elise,
12 Deandra, Alexa, and Christa, they're always there for
13 me. My brother-in-laws, Brad, Zack, and Tom. My
14 nephews, Lincoln, Jackson, Calvin, Carter, and my
15 niece, Anastasia. To all of my aunts and uncles and
16 great-aunts and uncles, and to all of my cousins. You
17 guys have been a tremendous support for me. And the
18 support and thanks doesn't end with my family, it only
19 starts there. The preparation and guidance didn't end
20 with my family, it started there.

21 I'd like to -- I would not be here today
22 without the countless educators and teachers from all
23 of the schools that I've attended. Yantacaw School,
24 Good Shepherd Academy, St. Peter's, Georgia Tech, and
25 Seton Hall Law School. I'd like to thank the coaches

Reorganization Session

60

1 who have taught me to not only be gracious in victory,
2 but learn from defeat, the mentors whose guidance has
3 led me through all different sorts of challenges over
4 the years. The many various bosses and leaders and
5 commanders that I've had, who have shown me what true
6 leadership is like. My friends in the Army who have
7 shown me what true loyalty is like. And all of my
8 friends who I've met over the years. You guys have
9 shown me such tremendous support. Our lives have been
10 turned upside down in the midst of this crisis, and you
11 guys stepped up and helped me, and the -- and run a
12 campaign in the midst of a health crisis, and I can't
13 thank you enough.

14 I also want to thank in particular,
15 Commissioner Rogers. I'm sure he has set me up for
16 success, and I'll definitely be working with him, even
17 though he's not an elected official anymore, I want to
18 continue some of the successes that he's had. And last
19 but not least, I want to thank all of you. If I've met
20 you, you've definitely had some impact in my life, and
21 if I haven't met you yet, I'm looking forward to the
22 impact that you will have on my life. Thank you so
23 much, and I'm excited to serve you as your newest
24 commissioner.

25 MAYOR TUCCI: Thank you, Commissioner Kelly.

Reorganization Session

61

1 COMMISSIONER KELLY: Thank you.

2 MAYOR TUCCI: Madam Clerk, do we have any
3 presentations today?

4 THE CLERK: We do not.

5 MAYOR TUCCI: We do not. Okay. Before I
6 entertain a motion for adjournment, one final
7 statement. Thank you to our Clerk, Eleni Pettas, for
8 putting this together today.

9 THE CLERK: Thank you.

10 MAYOR TUCCI: Jason Kirk for putting all of this
11 technology together and stuff, Sal for always being
12 here for us, and just one last message to the people of
13 the Township of Nutley, our beloved citizens. Alone,
14 any one of your commissioners will do good things.
15 Together, we are going to do great things. You are
16 always our top priority. We look out for you, and we
17 will protect you to the best of our ability. So thank
18 you all. I will entertain a motion of adjournment.

19

20 COMMISSIONER PETRACCO: Move it.

21 COMMISSIONER SCARPELLI: Second.

22 THE CLERK: Commissioner Kelly.

23 COMMISSIONER KELLY: Aye.

24 THE CLERK: Commissioner Evans?

25 COMMISSIONER EVANS: Aye.

Reorganization Session

62

1 THE CLERK: Commissioner Petracco?
2 COMMISSIONER PETRACCO: Aye.
3 THE CLERK: Commissioner Scarpelli?
4 COMMISSIONER SCARPELLI: Aye.
5 THE CLERK: Mayor Tucci.
6 MAYOR TUCCI: Aye. Thank you very much.
7 THE CLERK: And the time is 1:17.
8 COMMISSIONER SCARPELLI: (Indiscernible).
9 THE CLERK: Sorry.
10 COMMISSIONER SCARPELLI: See you at 7.
11 THE CLERK: See you all at 7.
12 COMMISSIONER KELLY: Take care, everyone.
