Re: Planning Board Submission – Completeness Review  
111 Ideation Way Parking Lot  
Township of Nutley, Essex County, NJ

### Checklist Waiver Request

**Checklist Item 'F' – All plans submitted shall be drawn at scale not smaller than one inch equals 20 feet, signed and sealed by a professional engineer, architect or professional planner, and shall bear the signature and sea of the licensed land surveyor as to topography and boundary survey data**

A partial waiver is requested for minimum scale requirements as outlined above. Due to the large nature of the developable area, the plans have been prepared at a larger scale to provide additional clarity around the areas under design.

### **Checklist Item F(30) – Applications filed with the county**

A partial waiver is required for the County Planning Board Submission as required at the time of Municipal filing. The County Application will be submitted to the County following the Municipal Submission.
