Kim Stevens-Redstone is a Yoga Alliance ERYT-500. She has been sharing her love of yoga and meditation with people of all ages and abilities . She encourages beginner yogis to try new things, and experienced yogis to try new ways. Classes will focus on deep breathing and mindful movement. The practice will be tailored to your own personal abilities. Beginners are encouraged to join. As we do gentle stretches and coordinated breathing, we bring health and wholeness back to our bodies and minds. We experience the body/mind connection on the yoga mat. We do this first in yoga class and then out in the world, becoming and staying centered and calm in our daily lives. No previous experience necessary.
