44 Park Ave., Nutley, NJ 07110 • 973-284-4966 • [www.nutleynj.org](http://www.nutleynj.org)

## A Message from **Commissioner Mauro G. Tucci**

Welcome to the Department of Parks and Public Property (Parks & Rec.) Newsletter. As the Commissioner of this department I am proud to represent a township that offers so much to our residents, families and friends of all ages. With so many new faces complementing our long term neighbors, the sense of pride we share belonging to such a unique community is contagious.

I would like to personally invite you to participate in the programs and services we offer and utilize our state of the art facilities and beautiful parks system. Our mission is to promote the continued well-being, safety and health of our community through the administration and coordination of township recreational programs, leisure activities and special events. The planning, design, development and maintenance of all municipal parks and public property also come under our purview of authority. We're committed to promoting quality programs and events of the highest standards to keep our community connected.

The past few years at the Parks and Recreation Department have been eventful, we currently offer many programs for residents of all ages to enjoy with new ones being added on a regular basis. The Fall Festival in the Park, Princess Ball, Kindergarten Roundup and Kindergarten Picnic are just a few of the fun filled community events added for residents to enjoy.

Since we last communicated, our improvement projects have included the Glotzbach Field turf replacement, new fencing at the American Little League, a new ball field at the East Little League, a field upgrade at Kingsland Park, new exercise equipment in our Memorial Parks, an upgrade to the entrance of Memorial Park II, upgraded heating in various buildings to realize cost savings and energy efficiency, and the reconstruction of the Firefighters Monument in front of the Public Safety Building. We are also air conditioning the heavily utilized Gymnasium at 44 Park Avenue.

Relay for Life is in its 13th year and we expect to exceed \$1,300,000.00 in donations. Our 2019 goal is \$90,000.00 and we are already two thirds of the way there. So far we have 36 teams and 190 participants registered. Our dedicated community of volunteers continues to exceed our loftiest expectations.

The Hoffman La Roche property continues to be repurposed into the new and exciting ON 3 Redevelopment. To date the Hackensack Meridian-Seton Hall Medical School is up and running along with the applied science division of Seton Hall University. Modern Meadows, a firm bioengineering leather without destroying live stock continues to prosper and is in the process of expanding its presence. Quest Diagnostics, which will be located on the Clifton side of the property will bring a projected 200 jobs to the area for Nutley residents to avail themselves to. Ralph Lauren, the famous fashion designing giant, will also be relocating to the On 3 campus with the prospect of additional employment opportunities for our Nutley residents. We were told soon after Roche announced they were leaving that to attract another big Pharma/Medical type development would take 25 to 30 years, once again our Nutley tenacity prevailed and we proved the experts wrong.

In the beginning of the year I authored a white paper on the effect multi-family housing is having on our township, relative to both the direct and indirect impact on our services and quality of life, I encourage everyone to visit our township website and read the results.

Additionally, I will be investigating how we can help our business community thrive and provide the essential support for renewal, retention and expansion.

No matter what your interests, Nutley is a wonderful place to live, work and play. I hope you take advantage of the many opportunities to be found here in our township. There is truly something for everyone in the offerings presented by our department from toddlers to senior citizens. I look forward to seeing you in and around our community throughout the year, and encourage you to enjoy all that we have to offer.

**Mauro G. Tucci**  
**Nutley Parks and**  
**Recreation Department**  
**Commissioner**

## Pre-K Program

**SUMMER:** Youngsters who are eligible to enter kindergarten this September are invited to participate in our Pre-K Summer Recreation Program which is designed to introduce youngsters to a school atmosphere. The program will combine the indoor-outdoor facilities at the school using the kindergarten classrooms, gymnasium and outdoor play areas.

This program is intended to prepare children for kindergarten through learning activities as well as incorporating a fun and energetic atmosphere. The program will be held daily. Registration is limited to the first 100 applicants.

## Toddler Activities

### Toddler Sports Sampler

**FALL/WINTER/SPRING:** Not quite sure which sport your child loves most? Look no further! This class allows kids to participate in a variety of sports that will help them in their decision of which sport they enjoy most. Each week a new sport will be introduced. Parent participation required for this class. Class size is limited, applications will be accepted on a first come, first served basis. Open to Nutley Toddlers ages 3-5.

### Let's Get Moving

**FALL/WINTER/SPRING:** This program is open to Nutley children ages 3 through 5. "Let's Get Moving" is a high energy class for 3-5 year olds designed to refine motor skills, increase balance, challenge listening skills and motivate kids in a fun and exciting environment. The class will consist of stretching exercises, relays, independent and group games, an obstacle course, karate and dance moves, balancing exercises and cool down time.

### Fun With Music

**FALL/WINTER/SPRING:** This program is open to Nutley children 18 months to 3 years of age. The music and movement class features a variety of different types of music accompanied by active participation. The class includes: Singing, dancing, streamer/scarf play, parachute play, short stories and introduction to simple instruments.

### Peanut Soccer

**SPRING/SUMMER:** This program is open to Nutley toddlers ages three through five. Peanut Soccer is an enjoyable non-competitive program designed to help the youngest of soccer players begin to develop basic soccer skills by participating in fun-filled, soccer oriented children's games and basic physical education.

### Yoga for Kids

**FALL/WINTER/SPRING:** This program is open to Nutley Toddlers ages 3-5. In Yoga for Kids we will practice yoga postures and beginning exercises that will instill long-term goals and benefits. Without realizing it, children are learning techniques to help their bodies become healthier, stronger and more relaxed. Benefits of yoga will include: increased strength and flexibility, build self esteem, promotes self discipline, teaches calmness and self control. Limited space is available.

### Happily Ever Crafty

**FALL/WINTER/SPRING:** This program is open to Nutley children 18 months to 3 years of age. This class is a fun way to build early literacy skills, creativity, and social skills. We will have a story time, sing songs, and create a craft to coincide with our story.

### Pre-T Ball

**SPRING:** To assist in introducing the fun and exciting concept of Little League Level T-Ball to youngsters currently 5 years old and registering for Kindergarten in September, the Nutley Department of Parks and Recreation has created a Pre-T Ball Program. The objective of this program is to teach the basic fundamentals of T-Ball in a non-competitive atmosphere and help prepare children for the next level. This program introduces youngsters to group instruction as well as allowing them to meet new friends for their first school experience.

# Youth Programs

## **Carol Blazejowski's Basketball Clinic**

**SUMMER:** Hall of Famer Carol Blazejowski, one of the most legendary trailblazers in women's basketball, will be instructing this four day camp. Open to Nutley boys and girls grades 3-8.

## **Tom Gargiulo's Youth Baseball Camp**

**SUMMER:** This program is open to boys and girls grades kindergarten through 8. This program covers skills, drills, position play, instructional games and player evaluation. Tom Gargiulo is the former head baseball coach of Nutley High School and currently assistant baseball coach at James Caldwell High School.

## **Track and Field**

**SPRING:** This program is open to Nutley youngsters Grades 4 through 8. This traveling sport includes Dashes, Distance Runs, Relays, Long Jump and Turbo Javelin. Home meets and practices will be held at Demuro Park

## **Co-Ed Junior Volleyball**

**FALL/WINTER:** An instructional clinic offered to boys and girls in grades 4 through 8 who are interested in learning the basics of volleyball. Skills, fundamentals and strategies of the game will be developed. Children that qualify and are interested will have the opportunity to play in a travel league.

## **Cheering**

**FALL:** This program introduces cheering through fun spirit activities and cheers. Girls will develop abilities while building self-esteem, confidence and responsibility. Sportsmanship is another strength that our cheerleaders will develop as they perform during traveling games. Girls will practice weekly and have one game per week. Tryouts are not required for the cheering program. The Nutley Recreation Cheering Program is open to Nutley girls in grades 3 through 8.

## **Nutley United Travel Soccer**

**FALL/SPRING:** Nutley United teams play in the competitive Northern Counties Soccer Association league against towns in Northern NJ and Lower NY State. The travel soccer program offers a high level of instruction by professional trainers. This program is open to Nutley boys and girls U8-U16.

# Youth Programs

## Football

**FALL:** Our objective is to develop and promote the ideals of teamwork, responsibility, sportsmanship, hard work, character and self-confidence in a fundamentally safe and constructive environment. This program also encourages the spirit of competition, discipline and fair play in participants. The Nutley Recreation Football Program is open to Nutley residents between the ages of 8 and 14 years old. Please note: 14 year olds in 9th grade do not qualify for this league.

## Flag Football Grades 1-4

**SPRING/FALL:** Flag football is a popular game filled with fun and action. In this game, the offensive team plays for a first down at midfield and a touchdown in the end zone. Running and passing plays are allowed, although there are “no-running zones” at midfield and near each goal line. The defensive team covers receivers, rushes the passer and grabs flags to make tackles. Games will be played on Saturday evenings. Each participant must play at least 25 minutes of the 50 minute game. Each team will be provided with flag belts and footballs.

## Soccer

**FALL:** Open to Nutley youngsters in grades 1 through 8. This program is designed to assist young players in developing basic skills of the game while offering a fun, semi-competitive environment. Recreation soccer is a great opportunity for youngsters to exercise and have fun in a safe, social setting. This league will play all games in town. Tryouts are not required for Recreation Soccer.

## Tennis Clinics

**SPRING/FALL/SUMMER:** This program will be directed under the supervision of Barry Rubach, an accredited member of the U.S. Professional Tennis Association and former Collegiate Champion. This program is designed to teach the fundamentals and strategy of the game as well as provide fun and exercise in small groups. The Tennis Program is open to children in grades 1-12 and adults.

## Lacrosse

**SPRING:** For Nutley girls and boys grades 3 through 8, this is a traveling program, with the majority of games being home games. A commitment is needed on the part of parents and players. We play men’s rules and there is contact in grades 5 and up. Season begins in early March and ends late May.

# Youth Programs

## **K-2 Hoops**

**FALL:** This program offers a start-up clinic on basketball fundamentals with shooting, dribbling and passing drills for entry level players. Exercise, fitness and fun will be the ultimate goal of the K-2 Hoops program. Open to Nutley youngsters grades K-2.

## **Traveling Softball**

**SPRING:** Girl's Travel Softball is offered to Nutley girls in grades 3 through 8. Our Travel Softball program gives each child the chance to compete at higher level than our Recreation Program. The traveling level is recommended for girls with previous experience and knowledge of the game.

## **Girl's Softball**

**SPRING:** This program is offered to Nutley girls in grades 1 thru 8. It teaches the fundamentals of the sport through practices and games under the supervision of our volunteer coaches. Timing, hand-eye coordination, as well as valuable personal characteristics are built through the encouragement of teamwork and sportsmanship always having fun!

## **Junior Wrestling**

**WINTER:** This program is open to Nutley youngsters in grades 2 through 8. During this exciting program, wrestlers will learn the fundamentals of the sport while also competing with youngsters from other communities.

## **Aspiring Authors**

**FALL/WINTER/SPRING** This program is open to Nutley students grades 1-6. Come join us for a **WRITING & READING** workshop where children will have the opportunity to read their favorite books and discuss the stories in a "book club", while also writing their own fictional works to share with their peers.

## **Theater Production Series**

**SPRING/FALL:** The Nutley Parks and Recreation Theater Production Series offers the community an opportunity to participate in two theater productions per year. Children and adults are welcome to participate. Performances are held at the Nutley High School. Past productions include *Shrek*, the *Wizard of Oz*, *A Christmas Carol* and many, many more.

# Youth Programs

## **Soccer Clinic**

**SUMMER:** Open to Nutley Youngsters in Grades 1 through 6. Participants of ALL SKILL LEVELS will spend time learning the fundamentals of the game such as dribbling, passing, heading and shooting from our professional staff. A special focus of the clinic is to provide each participant with an understanding of what should be practiced over the rest of the summer. Participants must have shin guards and bring a water bottle.

## **Summer Lacrosse**

**SUMMER:** This seven week program is open to Nutley Youngsters Grades K-4. Come be a part of the fastest game on two feet! No time for grass to grow under your cleats, lacrosse is played at full speed, high intensity and an exhilarating pace! We pack a lot into a 1 hour game. Grades K-4 will focus on: catching, throwing, cradling, scooping, shooting and speed/agility training. A stick will be provided for all players. No experience necessary.

## **Boys Traveling Basketball**

**WINTER:** Open to Nutley youngsters in grades 5 through 8. Our Travel Basketball program gives each child the chance to compete at higher level than our Recreation Program. The traveling level is recommended for girls with previous experience and knowledge of the game.

## **Girls Traveling Basketball**

**WINTER:** Open to Nutley youngsters in grades 5 through 8. Our Travel Basketball program gives each child the chance to compete at higher level than our Recreation Program. The traveling level is recommended for girls with previous experience and knowledge of the game.

**Girls Recreation Basketball**  
**Boys Recreation Basketball**

## Fun For All - Integrated Recreation Programs

**FALL/WINTER/SPRING:** The Nutley FUN FOR ALL Integrated Recreation Program is an adaptive program designed to offer non-competitive recreational and social experiences for special needs students and their typical peers. This program offers individual sessions of seasonal sports and social activities, grouped accordingly by age. Participants learn the fundamentals of each game along with the importance of fitness and principals of good sportsmanship and socialization. The combination of participants with specific learning and medical disabilities along with their non-disabled peers, fosters relationships of understanding and acceptance of individual differences and makes this program a uniquely integrated recreational opportunity for all involved.

Please contact the Recreation Department at (973)284-4966 for registration information.

# Adult Sports & Programs

## **Mindful Yoga with Mel**

**FALL/WINTER/SPRING:** This program is open to Nutley Residents. With over 15 years of experience, Melody has taught yoga to everybody: kids, adults, seniors, pre/post natal moms, adults with disabilities, etc. Melody's class is always a mindful integration of styles and themes flowing through the 8 limbs of Yoga.

## **Burn It Up!**

**FALL/WINTER/SPRING:** Let's torch high calories in a high energy workout combining cardio, strength, and core! We will work our lower and upper bodies, plus challenge that core! Bring light and heavy weights, a mat, a towel and water. We will Burn it Up!

## **Zumba**

**FALL/WINTER/SPRING:** This program is open to Nutley Residents. This class will incorporate the hottest Latin rhythms with the newest dance movements for maximum results. Newcomers to Latin style dance will benefit by learning the hottest dance moves while exercising to an energetic beat.

## **Morning Yoga**

**FALL/WINTER/SPRING:** This class enables residents to get into shape through Yoga and build strength and flexibility through gentle exercises which utilize disciplined breathing and relaxation techniques.

## **Rise and Shine Morning Exercise**

**FALL/WINTER/SPRING:** Start your day with a high energy workout combining cardio, strength, and core! This program will work your lower and upper bodies, plus challenge that core! Bring light and heavy weights, a mat, a towel and water.

## **Yoga for Life**

**FALL/WINTER/SPRING:** Classes will focus on deep breathing and mindful movement. The practice will be tailored to your own personal abilities. We experience the body/mind connection on the yoga mat. We do this first in yoga class and then out in the world, becoming and staying centered and calm in our daily lives.

## **Core Cardio Blast 60**

**FALL/WINTER/SPRING:** This is an intense exercise program focused on increasing core strength while burning fat and increasing cardiovascular stamina. Boot camp, kickboxing, plyometrics and resistance training are all included to create a cardio and strength training mix for maximum results.

**Women's Softball • Men's Softball  
Men's Basketball • Co-Ed Volleyball  
Women's Volleyball • Men's Volleyball**

# Please Join Us and Light it Up Blue for Worldwide

## Awareness Day Celebrate Every April 2!

The Nutley Department of Parks and Recreation will distribute free blue light bulbs to the first 100 residents to come to 44 Park Ave.

Light It Up Blue is a unique global initiative to help raise awareness about the growing public health concern that is autism. Iconic land marks around the world will Light It Up Blue to show their support. Join us in celebrating World Autism Awareness Day on April 2 and Light It Up Blue to help shine a light on autism.

**Every egg filled with a prize or candy**

**One egg will have the Grand Prize gold token  
and receive a huge chocolate basket!**

**Bring your Flashlight and  
a basket for eggs!**

# Nutley Parks & Recreation “Relay for Life” Over a Decade Strong!!!

The world’s largest grass roots fundraising movement, Relay For Life mobilizes communities throughout the country to celebrate people who have battled cancer, remember loved ones lost, and provide participants with an opportunity to fight back against cancer.

“Relay for Life is not just an event, it has become a household name here in Nutley” states Commissioner Mauro G. Tucci. “For 13 years our community has come together to raise not only needed funds but awareness on a disease that has affected so many of our family members, friends and acquaintances.

Relay is the ongoing community initiative on behalf of the Parks and Recreation Department to raise awareness and funds to fight cancer. Since the event was started in 2007, Nutley has raised more than \$1.26M.

Relay is a team fundraising event where team members take turns walking around the DeMuro Park track throughout the evening. Each team is always asked to have a member on the track to signify that cancer never rests. Relay is a fun night for all ages as each team sets up a themed campsite at the event and continues their fundraising efforts by collecting donations from food, goods, games and activities. The money will count towards their overall team fundraising goal.

The event kicks off by honoring everyone who's been

affected by cancer and everyone who has contributed to the success of this year's Relay season. Survivors and Caregivers are the heart and soul of Relay For Life events. We honor their strength and courage with every step they take. It doesn't matter if you were diagnosed 10 days ago or 10 years ago, you can walk while everyone gathers together to cheer you on.

During the Luminaria Ceremony ceremony we represent everyone touched by cancer with a Luminaria. Each light represents a life—a life taken by cancer, a survivor of cancer, or a support for a person still fighting the disease. It's a powerful demonstration that gives people the opportunity to grieve but also offers comfort and hope.

Our closing ceremony is the time to commit to take action and help lead the fight for a world free from cancer. It's a time to celebrate what we've accomplished together and a time to unify for the work that needs to be done moving forward.

“Each year this event exceeds our expectations and gets bigger and better,” Tucci adds. “Our team has grown and expanded each and every year and together we have made great things happen!”

For information on how to join the committee or register for this event please contact Crissy or Linda at 973-284-4966 or visit [www.relayforlife.org/nutleynj](http://www.relayforlife.org/nutleynj).

## PAINT THE TOWN PURPLE!

**Help Us  
 Celebrate Relay  
 for Life!**

**Paint the Town Purple is a promotional and awareness event to further engage our community in Relay For Life. The event is designed to draw interest in Relay and is generally planned in March to draw attention early in the planning stages.**

# Annual *TROUT* *Fishing* Derby

Open to Nutley residents only grades 1 through 8.

Come join us every May at Memorial Park (Mud Hole) on Vreeland Ave. from 8:30 a.m. to 11:00 a.m.

Bring your fishing pole, bucket, chair and your family!!

There will be over 300 fish for the contest!

Prizes for the Most Trout Caught, Largest Trout Caught and First Trout Caught.

All children must be registered. Experienced adult fishermen will be on hand to assist children throughout the event.

No prizes will be given out after the official weighing station is closed.

**NUTLEY**

**PROTECT**

A community park cleanup project is planned every year for Earth Day. This town-wide community cleanup will take place under the guidance of the Nutley Parks & Recreation Department. Our goal is to bring the community together and raise awareness on the effects that water, air and other negative pollutants will have on the environment and ultimately the effects that the earth will sustain from them.

The Parks & Recreation staff will be stationed at each individual site to guide volunteers on our mission. Intended sites for the cleanup will be Kingsland Park, Booth Park, Nichols Park, Reinheimer Park and Glotzbach Park.

Each school will be assigned a park for the day of this event.

We are encouraging residents to make this a family event! Bring your Mom, Dad, Grandparents, Aunts and Uncles to make this a significant day in Nutley. Nutley's "Project Earth Day" is a great way for families, students, service groups and neighbors to join together, take care of our community and support a healthy environment.

# Summer Camp Nutley

Everything you want in a summer camp is right here at Camp Nutley, a fun and affordable summer experience. The Nutley Department of Parks and Recreation is pleased to announce the return of this popular summer program for another season. Camp hours are from 7:00 a.m. to 6:00 p.m. to better accommodate the busy schedules of our working parents. Led by experienced camp counselors, each week will consist of a different theme, sports and outdoor fun, drama, crafts and more. Please note registration is limited and will be accepted on a first come, first served basis.

## *Eight Sessions throughout the Summer!*

### **Camp Nutley Winter Vacation**

**VACATION CAMP:  
FEBRUARY**

# The Nutley Parks & Recreation Concert Series

***The Nutley Parks & Recreation Concert Series, which provides free entertainment throughout the summer months, offers a variety of performers in a great outdoor atmosphere. In the spirit of summertime relaxation, these special summer performances emphasize family recreation in an outdoor setting offering fabulous food by Nutley's own restaurants. The smell of hot dogs, hamburgers, sausage, wings, ribs and more will fill the air.***

## ***Concerts throughout the Summer!***

**First Weekend in May!**

## **Living Memorial Program & Arbor Day Celebration**

***Recovering from the loss of a loved one can be a difficult task. Although we never forget our loved ones, we should find a unique way to memorialize their lives. The Department of Parks and Recreation implemented the Memorial Tree Planting and Bench Dedication Program as a lasting tribute to loved ones that have passed. Not only does the tree represent a remembrance of a significant part of our history, it also will symbolize a renewal of life for generations to come. Similarly, benches provide unique locations for reflection and remembrance.***

With the wide range of sports activities offered by the Nutley Department of Parks and Recreation, it is essential that our volunteers be supplied with the necessary information to address a variety of situations. The Rutgers S.A.F.E.T.Y. Clinic (Sports Awareness for Educating Today's Youth) is a mandatory three-hour orientation program that meets the "Minimum Standards for Volunteer Coaches Safety Orientation and Training Skills Programs" and provides partial civil immunity protection to volunteer coaches under the "Little League Law." This program will assist coaches and volunteers in building the knowledge and proficiency needed to manage each individual sport and deal with various scenarios. A registration fee of \$35.00 per resident will be charged. Pre-registration is required for this course. Please contact the Recreation Department for dates.
