Director of Public Works

2016-2017 Recycling Collection Guide

Dear Resident,

As I complete my eighth year as Director of Public Works, I would again like to take this opportunity to personally thank you for continuing to make our recycling program such a huge success. As a result of your efforts, the program has expanded each year, going above and beyond county and state requirements.

This year we had to make some changes in order to maximize our revenue due to recent changes in the recycling industry. As with any change we will have some glitches, as both the DPW and our residents acclimate to these revisions.

Thank you for your continued cooperation!

Commissioner Dr. Joseph P. Scarpelli
Director of Public Works

Recycling Guidelines

- As per New Jersey State Law and Chapter 614 of the Code of the Township of Nutley, recycling is **MANDATORY** for all property owners, residents and businesses.
- It is the responsibility of the resident to recycle according to the listed guidelines.
- Recyclables are to be placed in the correct container at curbside no earlier than 5:00 PM the night before or no later than 7:00 AM the day of collection.
- You can help avoid missed pickups by not placing your recyclables next to trees, telephone poles, parked cars or other obstructions and by having the material at the curb for collection at the proper times and in the proper recycling containers.
- Recyclables may not be placed in the street.

Compost bins may be purchased at a reduced rate to Nutley residents. Please contact the Engineering Department at 973-284-4958 for additional information.

Household Hazardous Waste and Other Items

Regulated by the Essex County Utilities Authority

The Essex County Utilities Authority sponsors a Household Hazardous Waste Collection Day for County residents in May and October of each year.

Location: 125 Fairview Avenue, Cedar Grove (Next to Old Hospital Center)

For additional information: Contact the ECUA at 973-792-9060 or visit www.ecuanj.com

Be Safe With Hazardous Waste

Products used for cleaning, home improvements, automobile maintenance, and lawn and garden care contain ingredients that can harm human health and the environment. Properly disposing of these hazardous products will keep our community safe and clean.

Paint

LATEX PAINT

Let paint can dry out and dispose of with your regular garbage.

OIL-BASED PAINT

Dispose of at one of the ECUA's Household Hazardous Waste Collection Days.

Cooking Oil and Grease

Help our sewer system flowing! Place cooled cooking oil, poultry and meat fats in a sealed non-recyclable container and discard with your regular garbage.

Rechargeable Batteries

NiCd/Rechargeable batteries ranging from the small 1.5V AAA batteries, to cell phone, laptop and power tool batteries can be disposed of at one of the ECUA's Household Hazardous Waste Collection Days.

Alkaline batteries are no longer considered hazardous waste and can be disposed with your regular garbage!
