2019-2020 Recycling Collection Guide

Printed on Recycled Paper

Dear Resident,

As I complete my 11th year as the Director of Public Works, I would again like to take this opportunity to personally thank you for continuing to make our recycling program such a huge success. Over the last couple of years we made several modifications to the recycling program to adapt to the changes in the industry. Last year we outsourced one-half of our recycling pick up to become more cost efficient and reduce manpower. As the recycling market continues to evolve, so will the DPW.

I am constantly working to see how we can implement cost-savings for our residents without affecting services. As we meet the challenges of a changing industry, we also continue to provide educational and informative recycling events to our community. Thank you again for your cooperation.

Dr. Joe
 Mayor Dr. Joseph P. Scarpelli

Recycling Guidelines

- As per New Jersey State Law and Chapter 614 of the Code of the Township of Nutley, recycling is **MANDATORY** for all property owners, tenants, residents and businesses.
- It is the responsibility of the resident to recycle according to the listed guidelines.
- Recyclables are to be placed in the correct container at curbside **no earlier than 5:00pm the night before** or **no later than 6:00am the day of** collection.
- You can help avoid missed pickups by not placing your recyclables next to trees, telephone poles, parked cars or other obstructions and by having the material at the curb for collection at the proper times and in the proper recycling containers.
- Recyclables may not be placed in the street.
