**Recycling Collection Guide**

Printed on Recycled Paper

Dear Resident,

As I complete my 14th year as the Director of Public Works, I would again like to take this opportunity to personally thank you for continuing to make our recycling program such a huge success.

Last year we had many challenges dealing with the COVID pandemic and modifying several of our programs to be contactless in order to keep everyone safe. The recycling industry also continues to change and therefore we must continue to be more cost efficient. As the world and the recycling market evolves, so will the Department of Public Works.

Thank you again for your cooperation and continue to stay safe!

Commissioner Dr. Joseph P. Scarpelli  
Director of Public Works

## Recycling Guidelines

- As per New Jersey State Law and Chapter 614 of the Code of the Township of Nutley, recycling is **MANDATORY** for all property owners, tenants, residents and businesses.
- It is the responsibility of the resident to recycle according to the listed guidelines.
- Recyclables are to be placed in the correct container at the curb **no earlier than 5:00pm the night before** or **no later than 6:00am the day of** collection.
- You can help avoid missed pickups by:
  - Not placing your recyclables next to trees, telephone poles, parked cars or other obstructions
  - Having the material at the curb for collection at the proper times and in the proper recycling containers.
- Recyclables may not be placed in the street.

## What do I do with?

ITEM	DISPOSAL LOCATION
<b>Household Batteries</b>	Throw <u>alkaline batteries</u> away in your regular household trash. <u>Rechargeable batteries</u> can be disposed of at Essex County's Household Hazardous Waste Day on May 7 or in October.
<b>Flourescent Bulbs</b>	Bring to Essex County's Household Hazardous Waste Day on May 7 or in October.
<b>Paint</b>	<u>Latex</u> : Residents are encouraged to remove the lid from the Latex Paint can and allow the paint to air dry in a well ventilated area (cat litter, saw-dust and shredded newspaper can be added to the contents of the can to speed the drying process). Once the paint has solidified within the container, it can be disposed of with your regular household trash.  <u>Oil-Based</u> : Bring to Essex County's Household Hazardous Waste Day on May 7 or in October.
<b>Tires</b>	Residents may dispose of 2 tires at a time (without rims). Please call 973-284-4984 to schedule a pick up. Tires from commerical vehicles are <u>not accepted!</u>
<b>Used Motor Oil</b>	Bring used motor oil to any service station that works on cars or to the Municipal Garage.
<b>Vehicle Batteries</b>	Vehicle batteries can be dropped off in the designated bin at the Municipal Garage.

## STORMWATER POLLUTION: WHAT DO YOU THINK?

- You may think littering is no big deal (it is).
- You may think that whatever runs into the storm drains gets treated before it reaches local rivers and streams (it doesn't).
- You may think motor oil and other hazardous materials don't harm the water (they do).

Pollution seeps into the ground and is carried by stormwater (rain and snow) directly to our drinking water, streams, lakes and oceans. Contaminated stormwater is the #1 cause of water pollution in New Jersey. Simple things, like proper clean-up after oneself and careful use of chemicals in the home, office and yard, are helpful ways for businesses and residents to protect the water.

The Township of Nutley has ordinances aimed at reducing pollution from litter, fertilizer, oil, pesticides, detergents, animal waste, grass clippings and other debris. For details, see <http://www.nutleynj.org/stormwater-management>. Thank you for keeping them in mind and doing your share.

Keep grass, leaves and trash  
out of storm drains

Don't feed wildlife

Clean up after your pet

Limit use of fertilizers &  
pesticides

Properly handle hazardous
