TOWNSHIP OF NUTLEY
COUNTY OF ESSEX

ORDINANCE NO. 3622

**AN ORDINANCE TO AMEND AND REVISE CHAPTER 700 “ZONING” OF THE
CODE OF THE TOWNSHIP OF NUTLEY REGARDING ACCESSORY
BUILDINGS AND USES UNDER § 700-67 AND OFF-PREMISES AUTOMOBILE
PARKING LOT PROVISIONS**

WHEREAS, the Board of Commissioners of the Township of Nutley has reviewed Chapter 700, “Zoning,” of the Code of the Township of Nutley, including § 700-67, “Accessory buildings and uses,” and has determined that revisions are appropriate to clarify and update the regulations applicable to accessory buildings, accessory structures, decks, patios, privacy screens, and related accessory uses;

WHEREAS, the Board of Commissioners finds that the public purpose of this zoning amendment is to promote clear, consistent, and enforceable standards for accessory buildings and uses, including regulations governing the location, height, coverage, setbacks, and related dimensional requirements for detached accessory buildings, attached accessory structures, decks, patios, privacy screens, and similar accessory improvements; and

WHEREAS, the Board of Commissioners has also determined that certain provisions authorizing automobile parking lots on premises other than those upon which the use is located, including standards related to off-premises parking lots needed for partial or complete compliance with minimum off-street parking requirements under Article XIII, should be deleted, repealed, and removed from Chapter 700; and

WHEREAS, the Board of Commissioners further finds that these revisions will advance orderly land use, protect neighboring properties, provide clearer guidance to property owners, applicants, and municipal officials administering Chapter 700, and remove obsolete or unnecessary off-premises automobile parking lot provisions.
